## **Indian Constitution and Social Issues**

Perhaps Father Ward thought the child too young to profit by many wise admonitions, for he spoke very little to her about the future, and yet the little he said sank deep. Penguin Education also published an extensive range of Readers and introductory texts for students in higher education, notably in subjects such as psychology, economics, management, sociology and science, while for teachers it provided a series of key texts such as Language, the Learner and the School and The Language of Primary School Children.
