The result of sin is death.

## **Much Ado About Marlowe**

Each square on the grid was assigned a number based on the likelihood that the ship had ended up there, and the idea was to trawl a sonar apparatus up and down the grid and take in-depth readings of the most promising results. There are many examples of such spaces through history, including such diverse examples as the nineteenth-century Parisian working-class cafe, the US southern black churches in the civil rights movement, and musical festivals for the white power movement.
