The Road is not All Uphill: My Search for Significance

A gate keeping health care system will use clinical and social criteria, demonstrated in this study, to ration access to further levels of the service, which can also be inequitable between regions throughout the same country.

The Road is not All Uphill: My Search for Significance

A gate keeping health care system will use clinical and social criteria, demonstrated in this study, to ration access to further levels of the service, which can also be inequitable between regions throughout the same country.

A Test of Honor

In the Greek text, four participles describe the result of walking in a manner worthy of the Lord to please Him in all respects; these participles define the walk that pleases God and each is modified by a prepositional phrase.
