Shotgun (Deviant Magic Book 2)

The militant anarchists of the Antifa movement have no interest in the First Amendment at all, seeing it and its defense in the language of the marketplace of ideas as the bedrock of an obsolete liberalism that has failed minorities, the poor, the dispossessed in favor of power elites-a capitalist system that is rigged-and, now increasingly, white supremacists and fascists. The genitive case indicates possession or association, and is equivalent to, and replaces, the English word "of".
